Description: Over 40 clubs will be promoting their clubs this year at this expo fair including us – the ASHC!! Find out what all the clubs are doing for Travel, Parties, Dances and Membership this year in 2006. After looking at all of the booths and all of the exciting events there will be plenty of mixing and mingling and of course Dancing! We did this one other year and really had a great time promoting our club, mingling with the guests and I think we closed the joint down dancing, so.....let's do it again!!
