Description: We will be watching the Southern Florida Super Bowl game from the comforts of balmy Alpharetta! This year Bill and Carla Fields (recent newlyweds) have been gracious enough to accept my proposal for them to host this event. Bill is familiar with Super Bowl parties, having hosted them in the past for the club, but Carla is really excited about getting to see and meet everyone. She is thrilled to have the club come to her home and is planning many appetizers for us so that we all feel at home in their house. Feel free to bring a dish to share, but it is certainly not required. Please come out and welcome Carla to the club, I'm sure you'll really enjoy her hospitality! Come on out and join the thrills of the game as well as the halftime entertainment. Prince will be performing at halftime, which should be quite a show according to the internet and news reports.
