Description: Come join us for a cocktail party and flashlight cemetery tour. EXACTLY...have you ever been on one of these? If the answer is no then you really need to have the experience!! If the answer is yes then you need to come on out again!! We will begin the evening at 6:30 PM in front of the outdoor fireplace with cocktails and light appetizers. The flashlight cemetery walking tour will begin at 8:00ish (the bar will temporarily close while tour is going on). A historic cemetery is located just across the street from the patio area. Grave stones date back to 1844 and include civil war veterans. We will take a short walking tour through the cemetery and stop for a moment at the highest point in Atlanta. The cemetery provides a breathtaking view of the Atlanta skyline at night. If you plan to join the tour please **bring your own flashlight and wear sturdy walking shoes**. The walkway up to the cemetery is paved and most paths inside the cemetery are paved. We will cross one unpaved area where the ghosts of the civil war veterans still protect "Casey's Hill". It will be a Spooktacular evening under the stars. After the tour, the bar will reopen and Smor'z ingredients will be available. Restrooms will be available in the nearby clubhouse. The Dorrington home will only be opened in the event of rain (no smor'z available if we need to move inside the house).

Directions:

From I-75 North or South Bound:

- Exit at #254 Moore's Mill Road and turn right onto Moore's Mill.
- Moore's Mill will dead end at Bolton Road; turn right onto Bolton.
