Details: We will be having dinner at a fabulous restaurant in Little 5 Points called Front Page News. Over dinner, we will conduct our Business Meeting. After that we will be going to see the play Water Coolers at the Horizon Theatre. This play is extremely funny. If you've ever had a case of the "Mondays", you'll Laugh-Out-Loud at this musical that gives us a behind-the-cubicle view of the tenacity and charm needed to make it through the work week. Join these co-workers as they juggle work, family, romance, Blackberry obsessions and computer meltdowns, all while racing toward the deadline for the "big presentations".
