Review: Lobby at TWELVE is a vibrant, casual eatery offering traditional American fare with a contemporary twist. Located just inside the ground-level front door of TWELVE Hotel and Residences, Lobby entices you with irresistible aromas and a relaxed, yet dramatically contemporary environment with its circular bar and two dining rooms. Lobby's menu offers intriguing dishes created by renowned Chef Nick Oltarsh combining the finest seasonal ingredients. The menu features new American cuisine with inventive touches--even the burger is crowned with chichi Italian cheese. Vegetarians can try the basil-infused eggplant pizza, while the more adventuresome diner can opt for the wood-grilled whole fish.
