**Description:** A special After Holiday dining event is planned for January. We will meet for a fabulous mid-day jazz brunch at the Waverly Hotel. Participants will be responsible for the cost of their meal and beverages; separate checks will be requested. We will make the seating reservation for 1:00 pm, so plan to arrive shortly before 1:00.

**Review:** Occupying the grand atrium of the Waverly Hotel, the dining room is filled with the sound of live jazz and the aroma of the fabulous Sunday brunch fare. The impressive brunch buffet offers countless breakfast favorites, including eggs benedict, fresh berry blintz, applewood smoked bacon, biscuits with sausage gravy, made to order omelets and delicious pastries. Lunch selections are plentiful including the prime rib and salmon en crouete carving stations and many regional favorites. We usually make more than one trip to the seafood station which includes peel and eat shrimp, Alaskan crab legs, and smoked salmon. Save room for dessert, an extensive assortment of luscious treats awaits; try the chocolate dipped strawberries, the turtle cheesecake or the key lime pie.
