Description: The Tin Roof Cantina has been the place to enjoy great music, food and drinks since 1993. They are located on Briarcliff Road, just north of North Druid Hills, near Loehmann's Plaza and the Target shopping center. They have tons of well-lit free parking. In addition to the main bar, there are three great outdoor seating areas, two of which are covered. While they specialize in Tex-Mex (e.g. burritos, quesadillas, tacos), they also have a variety of sandwiches that should appeal to those who do not like Mexican food. Most entrees are \$7-\$8. They have a full service bar with cheap drinks and one of the largest beer selections that I have seen. They have Live Music every night, featuring some of the best regional music acts available. They also have darts, pool, beer pong, video games, and an internet jukebox. Come check them out!
