Description: The Georgia Mineral Society's 40th Annual "Gem, Mineral, Jewelry, and Fossil Show" will feature:

- Jewelry - Emeralds, Rubies, Amethysts, Topaz, Sapphires, Garnets, Aquamarines, Lapis, and many more. There will be loose stones and ready-to-wear jewelry. Rings, Necklaces (including the new "Y's"), Bracelets, Pendants, Belt Buckles, Bola Ties, Pins, and many one-of-a kind items. Professional jewelers can mount your loose gemstones, often while you wait. Many custom jewelry creations can be sized or fitted to your special needs and wishes.
- Mineral Specimens - Beautiful mineral specimens from the United States and around the World; wonderful specimens in every shape, color, and size imaginable for the beginner to the serious collector.
- Fossils - Where else can you find so many Dealers with Fossil: Dinosaur Bones; Trilobites; Fish; Petrified Wood and so much more.

With over 30 dealers from across the US, you will find merchandise in all price ranges. For more information see: <http://www.gamineral.org/may-show.htm>.
