Restaurant Review: This month we will travel to Acworth to dine at the Historic Old Mill Restaurant. Originally this building was a flour mill built in 1870; of late the Mill was merely a brick shell overgrown by scrub trees and vines; this burned out old mill seemed to be a structure simply in need of demolition. Happily, "The Old Mill" is Acworth's newest revitalization project. Southern cooking is the standard at his new venue. Valet Parking is available.

Directions:

Take 75N to Exit 278 (Glade Rd),
Make Left onto Glade Rd (Cherokee St.).
Take Right onto Lake Acworth (Hwy 92),
Right onto Dallas Rd. ramp (first right immediately after the overpass) – This ramp is hard to see, look for the Large Brown Park Information sign.
At the bottom of the ramp take Right on Main Street and pass under the bridge
Take Left on Lemon Street; cross tracks; immediate Right on Southside Drive
Old mill is on the right: 4271 Southside Drive
