DETAILS: Dragon*Con is the largest multi-media, popular culture convention focusing on science fiction and fantasy, gaming, comics, literature, art, music, and film in the US. Every year hundreds and hundreds, and even more hundreds of Dragon*Con members gather in the early Saturday morning hours, decked out as their favorite alter egos and ready to take center stage on Peachtree Street in downtown Atlanta for the largest event at Dragon*Con – the annual parade! Thousands more line the parade route to be a part of all the fun and to cheer on their favorites. The parade starts promptly at 10:00 AM. The parade route follows Peachtree Street from Woodruff Park (at Auburn Avenue) to the Hyatt, continues down Baker Street and ends at the Marriott.
